RE: SNHPC FY 2015 – FY 2018 TIP Revisions – September 2016

Dear Mr. Watson:

The purpose of this letter is to inform you that we have adopted a change to the SNHPC FY 2015 - FY 2018 TIP. The change, made under the expedited TIP revision procedures in the SNHPC Prospectus, was completed in response to a request made by your office on September 2, 2016.

It is our understanding that the effect of this change on the fiscal constraint of the STIP will be considered as part of the next full amendment or update.

Specifically, the SNHPC concurs with the proposed revision to the statewide project listed below for Fiscal Years 2015 through 2018.

- Highway Safety Improvement Program (HSIP) - Net increase of \$3.5 Million due to a redistribution of federal funding to New Hampshire.

If you have any questions or require further information, please do not hesitate to contact me at (603) 669-4664 or dpreece@snhpc.org.

Sincerely,

SOUTHERN NEW HAMPSHIRE
PLANNING COMMISSION
